Borough Council Elections
5th May 2016

2016 ELECTION SPECIAL

What makes Gosport Conservatives different?

This is a LOCAL election about LOCAL decision making.

Where do you stand on these issues supported by Gosport Conservatives?

Keeping the police in Gosport Town Centre. New affordable homes for local people.

Creating jobs in Gosport. New jobs at Daedalus. New businesses coming to Gosport.

Regeneration of the waterfront and improvements to the Falklands gardens.

Profit sharing with Gosport Leisure centre. Or the free use of the Splash Park.

The upgrading of children's play areas. Creating the Alver Valley into a country park.

Ukip, Liberal Democrat and Labour Councillors voted AGAINST all these and more. When it comes to looking after the interests of Gosport, it's only the Conservatives who deliver.

WORKING FOR GOSPORT, WORKING FOR YOU

Three things to remember in this local election:

1. This is a local election to elect the best person to represent you on Gosport Council, not in Europe. You have your chance for that in June.
2. Ukip, Labour and Liberal Democrats have recently voted AGAINST many improvements to our area, including maintaining children's play equipment, protecting green open spaces and keeping the police in Gosport
3. The Gosport Conservative team are the only group who have the vision and policies to take Gosport forward.
